

East Lancashire Healthy Minds

Healthy Minds Services offer **brief psychological treatments for depression and anxiety disorders**. We are also able to offer advice regarding other organisations who may offer support within your community.

**IMPORTANT:** Please ensure that you read this menu of services so that we can discuss the options when we call you

Our Menu of Services

**Self-Help Leaflets & Books on Prescription** – Helping people with mild to moderate mental health problems using Cognitive Behaviour Therapy. [www.booksonprescription.org.uk/](http://www.booksonprescription.org.uk/)

“LIVING LIFE TO THE FULL” is offered at Community Venues or can be accessed online

Computer assisted Cognitive Behavioural Therapy consists of 8 individual or group sessions that may change your life

- ✓ This package aims to provide easy access to CBT skills - and does so in a way that cuts through jargon, by empowering users to understand why they feel as they do, and to learn new ways of improving how they feel.
- ✓ To learn how your thoughts are connected your feelings and behaviours and how to begin to make changes in your life
- ✓ There are lots of case examples of other people who have similar problems

**Psychological Wellbeing Practitioners** (PWP's) offer 30 minutes sessions face-to-face or by telephone.

Our Psychological Wellbeing Practitioners are trained to deliver a broad range of evidence-based interventions to treat common mental health problems, these include:

- Mood management techniques such as behavioural activation and techniques to manage unhelpful thinking
- Problem Solving
- Information about any medications you may have been prescribed
- Anxiety and Stress management

The Healthy Minds IAPT Service also offers a range of talking therapies including Counselling, Cognitive-Behavioural Therapy, Interpersonal Therapy (IPT), Eye Movement Desensitisation Therapy (EMDR). For more information about Counselling go to: [www.bacp.co.uk](http://www.bacp.co.uk). For more information about CBT go to: [www.babcp.com](http://www.babcp.com). If you would like more information about IPT and EMDR please ask us.

**ALSO AVAILABLE - Mindfulness for Health & Wellbeing** – This 8 week course teaches you skills to live in the moment and better manage stress and distress through learning mindfulness skills. Find out more about Mindfulness courses go to: [www.lancashirecare.nhs.uk/Mindfulness](http://www.lancashirecare.nhs.uk/Mindfulness) [www.bemindful.co.uk/learn/find\\_a\\_course](http://www.bemindful.co.uk/learn/find_a_course)

*Healthy Minds Services offer brief psychological treatments for depression and anxiety disorders. We are not able to provide reports for compensation, legal or benefits claims, nor do we prescribe medication. **Please discuss these needs with your GP.** IAPT Services do not offer long-term therapy or ongoing support following brief therapy.*
