Covid-19 Research Volunteers Needed

Are you aged over 18 and have symptoms of Covid-19 confirmed by
Lateral Flow or PCR Test

If so, you may be eligible to take part in one of two urgent Public Health Clinical Trials looking for medicines that can help people get better quickly and stop them needing to go to hospital.

If you are aged 50 or over or 18-49 **with an** underlying chronic health condition, considered to make you clinically vulnerable, and your symptoms started within the last 5 days, you may be eligible to take part in the Panoramic trial.

Please visit www.panoramictrial.org/

If you are aged 18 or over and your symptoms started within the last 14 days you may be eligible for the Principle Trial. Registrations taken weekdays from 3-30pm - 5.30 pm for Principle Study.

Please visit www.principletrial.org/

Note. You do need to have symptoms to be eligible to take part in both these studies. Symptoms may include but are not limited to: high temperature; a new, continuous cough; loss or change to your sense of smell or taste; sore throat; shortness of breath; general feeling of being unwell; muscle pain; diarrhoea and vomiting.
